

Cub Scouting is FUN!

It is all about outdoor activities, camping, field trips, earning patches, games, projects, building a pinewood derby racing car, being with friends and much, much more!

4 Things to Know:

1. **THIS IS CUB SCOUTS:** It's like play with a purpose, but better. Kids here do their best and have fun doing it!
2. **CUB SCOUTS LEARN CHARACTER:** There's a lot of play, but we do other things, too. Important things.
3. **CUB SCOUTS IS FUN, BUT IT'S NOT ALWAYS EASY:** The Program challenges kids to do their best. They'll learn a lot about themselves along the way.
4. **MOSTLY, THIS IS ABOUT HAVING FUN:** Cub Scouts get a chance to try things and see places that they normally wouldn't. Always a good thing!
